Dear Community Member,

Saturday, April 28, 2018 is *The Bridge Academy's Reach for the Stars Gala* which supports literacy education for students with learning disabilities. This is an important celebration of our school and our students and I would like to invite you to be part of this special evening.

The Bridge Academy in Lawrenceville, NJ is a small school with a BIG mission – to teach children in grades 3-12 with language based learning disabilities, such as dyslexia, to read and write. Our goal is to educate and empower students who learn differently to reach their fullest potential.

Bridge Academy students come to the school from over 32 school districts throughout the state of New Jersey and Pennsylvania. The Gala is a fun-filled evening of student recognition, gourmet food, spirits, and live and silent auction items to raise funds to support our school. Proceeds from the evening will be used for student educational programs, teacher training and enhanced facilities.

**Please consider being part of our evening through a sponsorship, advertiser or donor?** As a sponsor, you send a strong message to our community that you value the importance of literacy and a robust educational program. Your company will receive acknowledgment at the event and after through media placement and listing on the school's web site. Sponsorship forms are included for your convenience.

The deadline for receiving sponsorships and advertisements is April 10, 2018. Please call or email me at the numbers below with any questions. I also invite you to visit our web site for more information about The Bridge Academy [www.banj.org](http://www.banj.org). Your support is greatly appreciated!

Sincerely,

Kim Bruno  
Development Coordinator
